Fiscal Year 2017

PUBLIC ACT 97-0609
EMPLOYEE COMPENSATION INFORMATION

In August 2011 Public Act 97-0609 became law, effective January 1, 2012. This Act amended the Illinois Open Meetings Act and the Illinois Pension Code and requires additional disclosures for Illinois public bodies.

The Act requires that all Illinois Municipal Retirement Fund (IMRF) employers must post information for each employee having a total compensation package that exceeds \$75,000 per year within 6 days of approval of a budget.

The Act also provides that any IMRF employer that approves an employee's total compensation package equal to or in excess of \$150,000 per year must post the total compensation package at least 6 days before the approval of a budget.

For purposes of the Act, "Total Compensation Package" means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted. This definition of "Total Compensation Package" includes only items that are paid directly to the employee, and not expenses incurred by the employer for the benefit of the employee.

Accordingly, expenses such as health insurance premiums and retirement system contributions paid by the District to companies or individuals other than the employees would not be included in the computation of the Total Compensation Package. Additionally, as noted above, under the provisions of the Act, the District is only required to provide disclosure of employees participating in the IMRF pension system.

Following the definition of Total Compensation Package as provided in the Act, the Lisle-Woodridge Fire District does not have any employees subject to the \$150,000 separate disclosure requirements of the Act.

However, the District is providing the attached list of employee positions whose "true" Total Compensation Package exceeds \$150,000, inclusive of such other costs incurred and paid by the District that benefit the employee. We have included all employees meeting this benchmark, including those covered by other pension or retirement systems.

The information within this report is on a **projected basis** for the fiscal year January 1, 2017 through December 31, 2017.
