The Lisle-Woodridge Fire District is proud to announce that Fire Prevention Week is October 9, 2011 through October 15, 2011. The National Fire Protection Association theme this year is "Protect Your Family From Fire". This can best be accomplished by having an Escape Plan and practicing fire drills in your home.

The fire district will be hosting our Annual Fire Prevention Week Awards Ceremony on October 13, 2011 at our Station 1 Headquarters which is located at 1005 School Street, Lisle. The event will begin at 6:30 P.M. Awards will be issued to civilians and fire service personnel and the event will culminate with the coveted Firefighter of the Year Award.

The fire district will also participate in the Silent Parade on October 14, 2011 which will travel west on Maple through Lisle at approximately 6:30 P.M. and terminate at Trinity Lutheran Church that is located at 1101 Kimberly Way, Lisle where a short service will be held. This event is open to the public and will pay tribute to those who have lost their lives in the line of duty.

On Saturday October 15, 2011 the fire district will open their fire stations to the public for tours and apparatus viewing from 10:00 A.M. - 2:00 P.M. The fire district encourages people to stop into their local fire station and meet the men and women that protect them.
