

It is with great sadness that Lisle-Woodridge Fire District reports the passing of Lt. James Stanley (Ret.). He worked for the district from July 12, 1982 through his retirement December 9, 1999 and achieved the rank of Lieutenant. For the next thirty (30) days, the Firefighter Memorial Flag will be flown under the U.S. Flag (full mast) at all LWFD stations. Mourning bands will be displayed by duty personnel for the same time period.
