The Lisle-Woodridge Fire District together with Firefighters Union, IAFF Local 2986 will be participating in a Cancer Awareness and fundraising campaign Monday, October 17th through Saturday, October 22nd. The Lisle-Woodridge Firefighters are joining members of the International Association Fire Fighters throughout the United States and Canada during October (**National Breast Cancer Awareness Month**) to increase awareness of the disease and to raise funds for research into its cause, prevention and cure.

On-duty firefighters, officers, and administrative personnel will be wearing specially designed pink t-shirts in place of their regular work uniform shirts. The same pink t-shirts will be sold to the public for \$15.00 each. T-shirts can be purchased through the end of the month at Jewel/Osco Stores in Lisle and Woodridge, Monday – Friday from 4:00pm to 7:00pm, and on Weekends from 9:00am to 1:00pm.
